Welcome to Fairyland!

Dear teachers,

Welcome back to your daily teaching activities that make your professional life interesting and captivating! I hope you've had a nice holiday relaxing, and freshening up as another school year is here, with new challenges, surprises and opportunities.

We are happy to have good news for this new school year: we have just got ministry approval for Fairyland 3, Romanian edition, for grade 3! As you know last year we got approval for Fairyland for Grade 1 and 2, so we are able to offer you continuation at primary level. We do have Fairyland 4 for grade 4, yet the bid for grade 4 will take place next year, so we still use Set Sail 4 and Welcome 2 as approved textbooks for grade 4. We are very happy for the Fairyland series, as this will make a wonderful new course book series for the primary sector, with magical characters and fantastic activities that kids will definitely love. You have got a magic wand, and you will work wonders all the time. You've got Erlina, and Willow, the talking tree, Woody and Frosty, and two magic trolls, Pog and Trog that will help you all the time. I know it will be a wonderful teaching year! Of course you can continue using all levels from Set Sail and Welcome for optional and private classes if you like Chuckles and can't help missing him! Find the annual planning for Fairyland for grades 1, 2, 3 on our website, downloads section. You can also download for free teacher's books and class CDs for Fairyland from the same downloads section!

As this year bid is not yet finalised there will be a delay in receiving the Student's Books for Fairyland 3 in schools, probably till beginning of October. While waiting for the bid procedure to go on, you can either start working on the workbooks which are already available, or use Set Sail 3 or Welcome 1 you have in schools.

We have a gift for teachers to start the new school year with: a free activation code for downloading the cross platform application for a CLIL reader, available for one year and a half, for 3 different devices you choose: laptop, desktop, Ipad, Iphone (IOS, Android, Windows, MacOSX). There are activation codes for 3 titles: The Solar System (Primary), The Polar Bear (lower-secondary) and The Seven Wonders of the Ancient World (upper-secondary). You can choose your free activation code according to our stock when placing your order and you will receive it in the parcel. The digital version of the reader that is offered to you (ieBook) contains a digital audio-visual dictionary, a collection of additional cross-curricular worksheets, fully interactive activities to consolidate and practise content learning, as well as captivating videos that support and extend the topic of the reader and progress menu to promote self-evaluation. Enjoy using it in your teaching!

For this autumn we have prepared attractive special offers with up to 35% discounts including free teaching materials and lots of very special offers to support your teaching with useful tools. Enjoy using innovative, wonderful activities and resources! We also have the pleasure to invite you to our ELT Conference that will be held in Predeal, in May 2016. Please find the call for papers and registration forms on our website! Deadline for registrations is January 10, 2016. I hope you'll make it and enjoy it! We wish you a wonderful teaching year, may magic, love and joy be with you all the time!

Best wishes,

Simona Popa

Prime Time is a series of five courses for high school teenagers, and adult learners of English at Elementary to Upper-Intermediate level. The course is stimulating, using realistic dialogues featuring people in everyday situations, activities encouraging critical thinking as well as web research and study tips to help students become autonomous learners.

On Screen is a series of three courses for learners of English at intermediate to upper-intermediate level. The series combines active English learning with a variety of lively topics presented in themed modules. Provide your students with clear presentation and practice of grammar structures, variety of reading, listening and speaking tasks, writing sections containing models and development of writing skills. Vary your lessons with activities encouraging critical thinking as well as web research and realistic pairwork and groupwork activities.

IT's Grammar Time is a series of four grammar books in full colour designed for learners of English at beginner to intermediate level. The series systematically presents and provides practice of English grammar structures in context and it can be used to supplement any main coursebook. It is suitable both for self-study and classroom use. Levels 3 & 4 contain sections on Phrasal Verbs, Prepositions & Word Formation.

Pathways to Literature is an innovative course that aims to develop the English language through the medium of literature, ideal for B2+/C1 CEFR level students at specialized secondary schools, colleges and universities.

For the first time, literature is presented through reading, listening and visualisation using captivating videos and printed resources. The well-organised syllabus, rich visuals, videos and carefully-designed tasks develop all four language skills needed by learners to master the English language. The course encourages critical thinking and teaches social and moral values while preserving the cultural heritage of the English-speaking countries.

Secondary CLIL Readers with cross platform application

Express Publishing Discover Our Amazing World Readers is a brand new series of non-fiction titles which introduces learners to exciting topics related to our world. Learners enjoy the story as a reading text in several chapters, with stunning photographs which help them follow the plot. Each chapter is accompanied by

language activities to help comprehension and develop critical thinking. The accompanying Teacher's CD-ROMs provide a fully-dramatised recording of the story and a key to the activities. Each Student's book contains an Activation Code to download the **Digital Application**.
