

## AM@ZED - ESCAPE ROOM READING CHALLENGE – OFFICIAL RULES

### 1. Organizer

**Uniscan Grup Educational**, in partnership with Express Publishing, is proud to organize this year's competition, "**AM@ZED – Escape Room Reading Challenge**," designed for English teachers and their students. The initiative aims to inspire greater motivation and engagement while fostering collaboration, communication, and critical thinking—essential 21st-century skills needed to thrive in an ever-evolving world.

### 2. Eligibility

The competition is open to English teachers who teach students using the **AM@ZED** series readers.

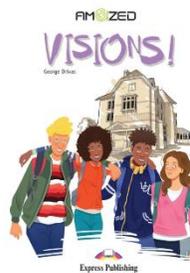

### 3. Participation Requirements

- Purchase **AM@ZED** series readers on [www.uniscan.ro](http://www.uniscan.ro) or place your orders **via phone to one of our colleagues.**

- Choose the following titles:  
***Visions*** (CEFR levels A1/A2)

***Missing*** (CEFR levels A2/B1)

***Innocent*** (CEFR levels B1/B2)

- *Make groups of students reading the same title and participate in the online event (Students may be from various classes)*
- *A group of students may be composed of maximum 50 students.*
- **For 10 readers purchased, you get a special 10% off or you can use your fidelity discount.**
- Register your class using the official registration form and send it to **bookshop@uniscan.ro**

#### **4. Competition Format**

Students will read the selected reader and then participate in an ONLINE INTERACTIVE **Escape Room challenge inspired by the stories**. For this challenge it is required that each participant is in front of a computer screen, tablet or smartphone that they will use to complete the challenge. The participants will have access to the game 10 minutes prior to the starting time (the coordinating teacher will receive an access link that will share with the students)

The activity will include 6 doors to be unlocked. To unlock a door, students must answer correctly three questions, puzzles and tasks based on the reader so as to proceed to the next door and therefore to finish the game. There will be in total 18 tasks to solve.

#### **5. Competition Date**

The **AM@ZED- Escape Room Reading Challenge** will take place on **May 25<sup>th</sup>**. The exact time will be communicated to the registered participants.

#### **6. Prizes**

The first ten students who finish the game win:

- **One free NOCN test book**
